## BECAUSE A GIRL'S GOTTA HAVE OPTIONS

NEW!

### THE MIRA VIVID WELLNESS BRACELET AND TRACKER

*Experience the beauty of discretion. Hidden in the sleek, ribbon-inspired design, is the Opal, Mira's proprietary tracker which measures steps, calories, distance and elevation. The newest addition to Mira's line of smart jewelry melds style, function and covert design and is the perfect option for the woman who wants to keep her tracking habit private.*

*The setting will be available in two bold finishes: Polished Rosé All Day and Polished Heart of Gold.*

NEW!

### THE MIRA VIVID WELLNESS PENDANT AND TRACKER

*Mira will also expand their collection by adding a smart pendant. Simple and sleek, the addition of a necklace will give style mavens the option to change up their look and track to their heart's content.*

*The pendant will be available in Polished Heart of Gold.*
