

# WAKA WAKA POWER+

**WAKAWAKA POWER+ is the quintessential entry point into the solar revolution for anyone on the go who hates to be left without power. A rugged, ultra-efficient solar flashlight + charger beautifully designed to help people plug into the sun for power and light, WakaWaka Power+ will fully charge smartphones or small electronic device via USB ports. It also provides up to 150 hours of bright LED light on a single charge from the sun.**

**Under its Share the Sun model, for every WakaWaka purchased the company donates a solar light to the International Rescue Committee for disaster relief or a family caught in humanitarian crisis. Each package includes a unique Share the Sun code, allowing the consumer to choose where in the world their donation is sent.**

**MULTIPURPOSE  
CHARGER**

**Compatible with:** Apple, Samsung, Blackberry, Nokia, Huawei, GoPro and many more.

**Charges:** most smart phones, tablets & other USB gear

## SOLAR-POWERED LED FLASHLIGHT

- |                      |  |
|----------------------|--|
| Battery              | : 2200 mAh, High Temperature LiPo  |
| Solar panel          | : 1050 mWatt 22% Sunpower cell   |
| Connectors           | : Micro USB-in (>0.5 A) & USB-out (>1.5 A)   |
| LED                  | : 2 LEDs, 120 lumen/Watt   |
| Max light output     | : >75 Lumen  |
| Indicators           | : • 4 battery indicator LEDs<br>: • 1 solar charge indicator LED<br>: • 1 USB charge indicator LED |
| Power management     | : Patented Intivation SunBoost chip  |
| Housing              | : 100% recycled PC-ABS, high impact resistant  |
| Flexible positioning | : tabletop, on a bottle, hanging from the ceiling, easy accessible USB ports                       |
| Available colors     | : Yellow, Black, White   |
| Dimensions           | : 121 x 17 x 78 mm   |
| Weight               | : ~ 200 grams  |
| Quality              | : UNFCCC compliant, CE approved  |
| Manual               | : Full color, FSC paper  |
| Warranty             | : 1 year   |
| Packaging            | : Eco-friendly cardboard book with story and manual  |
| 3 light settings     | : from 5 to 75 lumens  |

## CHARACTERISTICS & SPECIAL FEATURES

**150 HRS LIGHT**

**FULLY CHARGES  
SMARTPHONES**
