The Science

Each Aromeo Sense preset module synchronizes the sense of smell, vision, and hearing. The three sensory stimuli work like different notes in an orchestra to produce a song. **The whole is greater than the sum of its parts** because it creates a holistic experience. Travel to gorgeous locations through your senses with a single press.

Smell

Affects brain **limbic system**, evokes memories and emotions

Vision

Affects biological clock of **melatonin production** (sleep-wake hormone)

Hearing

Keeps the brain engaged, **reduces anxiety**, improves mood and sleep

Clinically Tested to Stimulate Your Brain & Improve Your Mood

Child Neurodevelopment Care

FAQ

Can I diffuse my own oils?

We don't recommend it as some oils are incompatible and can clog the diffuser. However, if you are in a region where it is difficult to get refills from us, you can use pure essential oils. Don't use viscous essential oils, fragrance oils, absolutes, perfume, or cologne.

Can I adjust the light brightness or turn off the light?

Yes! There are 3 brightness levels. You can turn off the light a button on the device, or with Aromeo App.

How big a room will AROMEEO Sense can diffuse?

We recommend to place it on your bedside table or your work table. AROMEEO Sense works best when placed in a well-circulated room and can diffuse up to a 37sqm or 400sqft room effectively.

How do I clean AROMEEO Sense?

To clean the surface of the diffuser, use a microfiber cloth to clean. To clean the mist vent from any oil residue, use a pointy cotton bud. To clean the inside of the diffuser, diffuse some rubbing alcohol for 20 minutes.

How long does each pod last?

One pod is good up to 60 times of use (if each use is around 30 minutes with medium intensity, as recommended by aromatherapists).

FAQ

Is AROMEEO Sense safe?

AROMEEO Sense is a non-invasive way to get into the mood states you want. We make sure each unit is manufactured free of defects and compliant with international safety regulations. Please allow at least another 30-45 minutes in between sessions so that your senses are not fatigued from overstimulation. If you experience nausea, headache, or feel unwell when using any AROMEEO product, stop use, and contact a physician.

Are Aromeo Pods safe?

Aromeo Pods are made of natural plant fragrance. They are safe and free of adverse effects when used properly with our diffuser. Follow the safety guidelines written on the packaging of each bottle and you will have a good experience :) We do not endorse drinking or ingestion of Aromeo Pods.

Are the pods recyclable? What are they made of?

The pod body is made of 100% recyclable glass; while the cap and nozzle are made of recyclable plastic. Aromeo Pods are made of natural plant fragrance from sustainable plants. They are free from synthetic chemicals and not tested on animals. Aromeo is also part of the National Association of Holistic Aromatherapy.

FAQ

Where do you ship to? When will my order arrive?

We ship worldwide. We'll send you a tracking number as soon as your order ships. The products are in production, and they will be shipped to you in Feb 2021, you can receive your order in Mar 2021.

Can I use Aromeo Pods around cats and dogs?

Aromeo Delicate Collection is suitable for use around cats and dogs. Always makes sure your furry babies can enter and leave the room freely when you are using Aromeo Sense.

Is it cordless? Is the cord detachable?

You need to connect Aromeo Sense to a power source to use it. It is designed to be a bedside or tabletop device :) The cord is detachable.

Does it work with my voltage?

Aromeo Sense with 110V to 120V, and 220 to 240V.

When do the Aromeo Pods expire?

Their shelf life is 1-2 years.
