NOESIS Florio

Like **no other.**

Meet Florio, the revolutionary new
2-in-1 robot vacuum and mop.

Autonomy.

Like no other.

Florio keeps your floors fresh and clean without you lifting a finger for up to 15 days. Just plug-in, fill the water tank and you're ready to go.

Self-changing mop pads

The robot automatically replaces mop pads when needed and scrubs your floors for up to 15 days without maintenance.

Self-emptying

The disposable dust bag allows for up to 2 months' vacuuming.

Self-filling

The dock tank holds enough water for 15 days' mopping.

Self-charging

The robot automatically returns to dock for recharging.

Clean.

Like no other.

With our ground-breaking cleaning technology, intelligent water control and automated mop pad lifting, Florio ensures a deep, hygienic clean in every room.

Auto-changing mop pads

Use a different biodegradable pad in each room for the ultimate in cleanliness and hygiene.

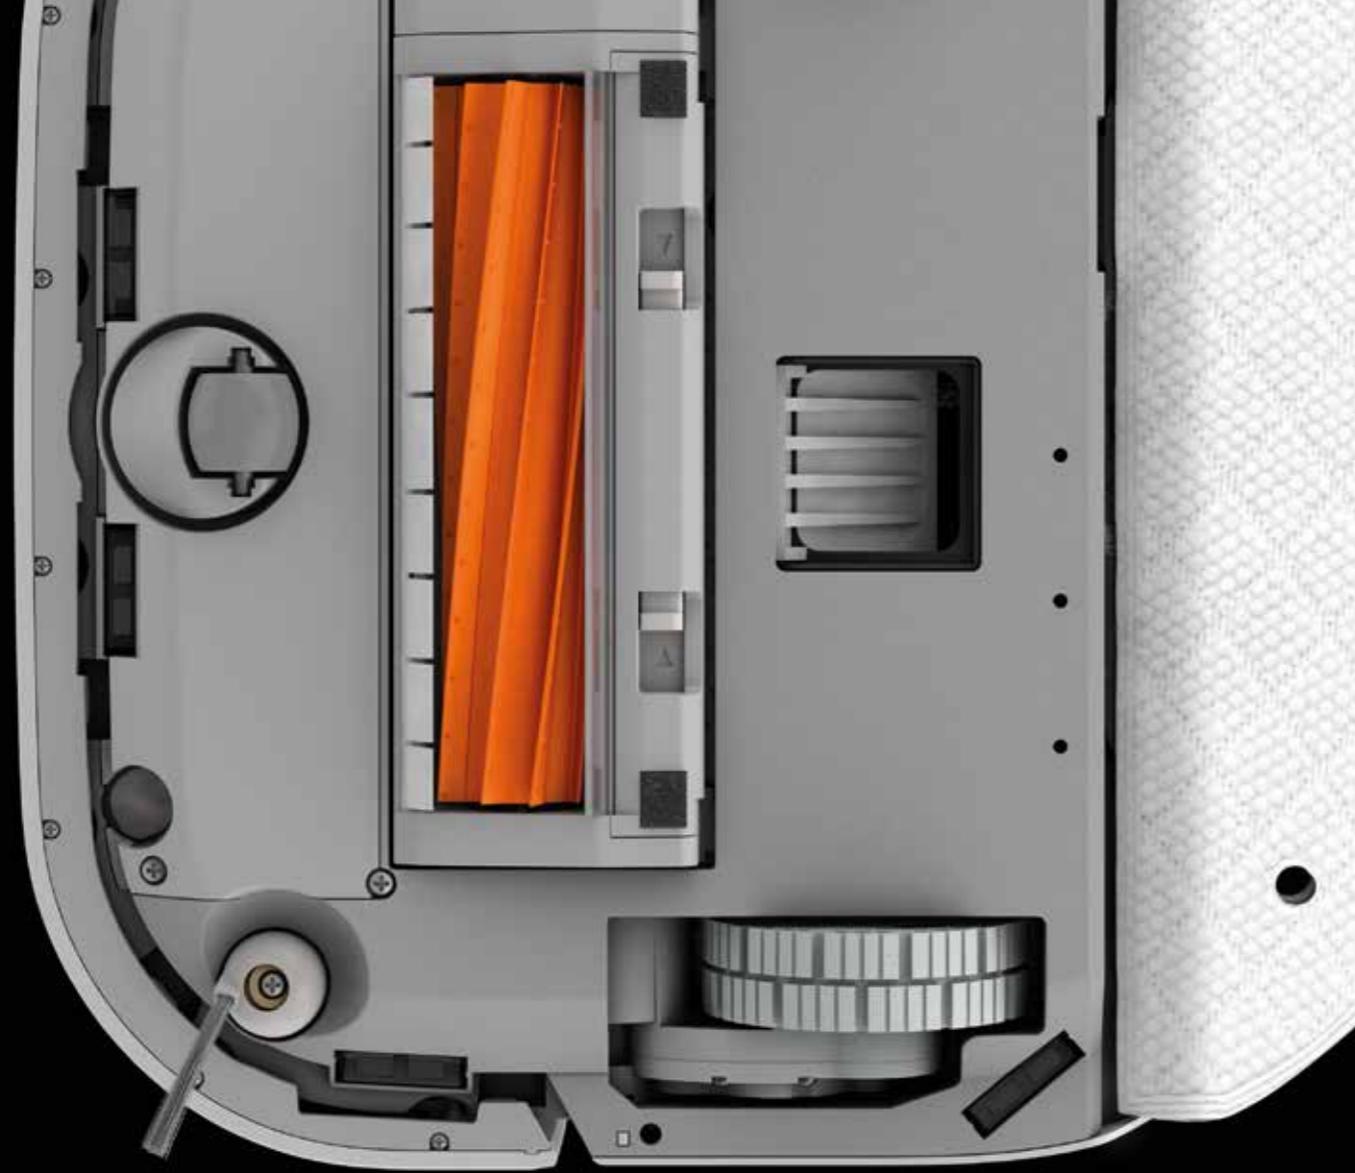

Advanced Dynamic Scrub deep clean mopping

Removes tough dirt for an intensive, even clean.

Mop Lift technology

Automatically lifts mop pad and brush when traveling over cleaned areas, to prevent the spread of dirt.

Innovative D-shaped design

Allows for unparalleled coverage at the edges and in corners.

Exceptional suction

Market-leading suction and rubber brushes means it won't miss a single crumb.

Intelligence. Like no other.

Florio's intelligent mapping, navigation and anti-collision technology guarantees your home is in safe hands. Plus, you can specify where and when it cleans with our custom app.

Pioneering Dual NeuralVision Obstacle Detection

Never before seen combination of AI and Stereovision sensors work to identify and avoid all obstacles, including cables, with ease.

Ultrasonic carpet detection

Ensures your carpets and rugs never get wet.

Anti-drop sensors and advanced 3D mapping

Safely avoids steps or stairs. Plus, sensors create a 3D map of your home to ensure better coverage and closer edge-cleaning.
