

RAINSTICK

North America's First **Circular Shower**.

MEET RAINSTICK

RainStick is a WiFi enabled circular shower that saves 80% water and up to 80% energy while maintaining almost 2X the flow-rate compared to a traditional shower.

In stunning matte black and brushed nickel - the option is yours to complete your bathroom in a standout way.

FEATURES

Savings Tracker

RainStick's WiFi Controller tracks water and energy use, and notifies when consumables need to be replaced.

Water is Always Fresh

RainStick's 3-stage cleaning ensures that the water remains safe and clean.

Planet & Care

RainStick's technology saves 80% water and up to 80% energy, allowing users to make a significant impact without compromising on experience.

High Flow

RainStick has a 3 GPM flow-rate, which is higher than any other shower flow on the market. It's sure to provide a relaxing experience, without compromising.
